## LANCE CAMPER DONATES PERSONAL PROTECTION EQUIPMENT TO LOCAL HOSPITAL

Lancaster, CA – 3/31/2020 – In acknowledgment of the nationwide shortage of personal protection equipment (PPE) Lance Camper, a Recreational Vehicle Manufacturer and REV Group company based in Lancaster, CA has donated their available supply of PPE to the Antelope Valley Regional Hospital serving East LA County and the cities of Palmdale and Lancaster.

“Our initial focus was to protect the health and wellbeing of Lance’s 500+ associates and families. With the successful implementation of an emergency action plan, the focus turned towards our Suppliers, Customers and local Community. The widely publicized shortage of PPE was Lance’s opportunity to support the courageous first responders and medical professionals within our Antelope Valley Community. As a safety conscious manufacturer, we had many of the needed PPE items on hand, and the Lance Leadership Team was eager to donate these critically needed resources,” states Matt Buckman, Vice President and General Manager at Lance.

The Antelope Valley Regional Hospital was contacted and a plan to transfer the critically needed supplies were coordinated and completed. “We are so grateful to Lance Camper for their generous donation of PPE to be used by our staff in this critical time as we continue to ramp up the battle against COVID-19 in the Antelope Valley,” adds Staff Services in Administration for Antelope Valley Hospital.

Shown in the photo are Darrin Miller (left) and Carlos Quintanilla (right) of Lance Camper Mfg. Corp., who assisted with the transfer.

### ***About Lance Campers***

*Founded in 1965, with headquarters in Lancaster, CA, Lance Camper Mfg. Corp. is the premier manufacturer of high-quality ultra-lightweight composite-built truck campers and travel trailers in North America. *REV Group (REVG) is a leading designer, manufacturer and distributor of specialty vehicles and related aftermarket parts and services. We serve a diversified customer base, primarily in the United States, through three segments: Fire & Emergency, Commercial and Recreation. We provide customized vehicle solutions for applications including essential needs (ambulances, fire apparatus, school buses and municipal transit buses), industrial and commercial (terminal trucks, cut-away buses and street sweepers) and consumer leisure (recreational vehicles and 'RVs'). Our diverse portfolio is made up of well-established principal vehicle brands including many of the most recognizable names within their industry. Several of our brands pioneered their specialty vehicle product categories and date back more than 50 years. REV Group trades on the NYSE under the symbol REVG. Investors-REVG*
